2009 PUSH Trainings

Frequently Asked Questions

Do you guarantee hotel or travel reservations?

No, we are not responsible for any guaranteed travel or lodging reservations. However, at most hotel locations, PUSH Trainings reserves rooms at reduced rates. **Space is limited and rooms are reserved for a limited time only**, so place your reservations early. We are not responsible for making room reservations.

What is your cancellation and refund policy?

Full payment in advance is required to reserve a seat in any module. The tuition is refundable (less a \$50 processing fee **for each module cancelled**) up to 14 days prior to any module. If you cancel less than 14 days before a Module, you may transfer your registration fee to another module of your choice. We reserve the right to cancel any module, refunding your tuition in full. We further reserve the right to change the location of any module, however, should a module location be changed, all registered students will be notified and offered the opportunity for a refund. We are not responsible for any guaranteed travel or lodging reservations.

No refunds after 12 months: If you have registered for a module but are unable to attend and would like to keep the seminar credit on file to use at a later date, you have 12 months to use that credit. After 12 months, we would be happy to accept you into a course, but a refund will not be permitted.

Price changes: If you have a seminar credit on file and the price of that seminar has increased since you purchased it, you will be responsible for the difference in price in order to attend that seminar.

Provider approved by the California Board of Registered Nursing, Provider # 15339, for the following Contact Hours:

Module 1: The Upper Body—24 contact hours

Module 2: The Lower Body — 24 contact hours

Module 3: The Core of the Body — 20 contact hours

Module 4: Advanced PUSH Treatment Protocols and the PUSH Treatment Plan — 20 contact hours

Module 5: PUSH Applications and Certification — 20 contact hours

Are there any age or health requirements for acceptance into a module?

Participants must be physically able to perform the techniques taught in the module. Students must be able, both physically and mentally, to give and receive this form of manual muscle therapy without adverse effects. **Participants must certify that they are free from any medical condition that might create undue risk to themselves or others who might depend on them in the activities of the training. Participants must certify that they are not pregnant. **Pregnant women may not participate in these trainings.**** Feel free to contact us for further clarification if you have any additional questions regarding the physical requirement to participate in any module. The minimum age for acceptance is 18. There is no maximum age.

What are the attendance requirements?

Attendance of the entire program, with active participation in all classroom and treatment room activities, is required for a Certificate of Attendance to be issued.
